

IMPORTANT NOTICE: Cancellations of CISPS Annual Meeting and Change of Watch Party

Hi, All –

I hope this note finds everyone well.

Because of current public health concerns surrounding the coronavirus, and to follow District 4's lead re: event cancellations, the CISPS Board has decided it best to cancel our Annual Meeting that was scheduled for next Thursday, March 19th. Out of an abundance of caution, we have also decided to cancel our Change of Watch party that was set for April 4th.

As always, the health, safety and well-being of our members is of paramount importance. We will be in touch in the near future regarding CISPS elections and the scheduling of our next meeting. Until then, stay safe and healthy!

Barbara H,
Secretary

P.S. The ABC class on March 21 has also been cancelled.
