

Have a Courtesy Vessel Safety Check at Your Boat!

We can **ONLY** conduct vessel exams on boats up to 65' LOA

Both the U.S. Coast Guard Auxiliary and the United States Power Squadrons have certified vessel examiners who will perform a free Vessel Safety Check ("VSC") on your boat, at a time of mutual convenience. There is no charge, and no consequences if you don't pass. Our goal is simply to help make boating as safe as possible for you, your family and your friends, through education. Personal pleasure craft, only.

Inspections can be done in the Bronx, including City Island and southern Westchester.
